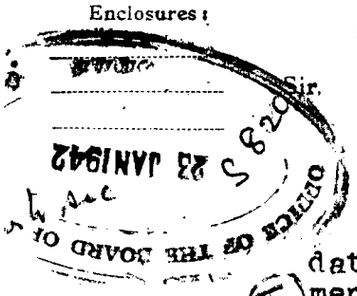
To

The Chief Engineer, P.W.D., General, Madras.

Enclosures:

No. 68 1966 dated 20-1-1942.

Sir,



Subject:- Establishment - Famine Works - Bellary.

******

In continuation of this office No. 72, Camp., dated 28-12-1941, I have to report that the employment of one Sub Work Agent for each of the Famine - Camps is also found necessary. As already reported, I have posted two Supervisors for employment as work-agents.

I am also transferring two Overseers for employment as sub Work-agents in anticipation of sanction by doubling sections. Sanction for this additional establishment may also please be applied for.

The Executive Engineer, Bellary Division, has also applied for the immediate appointment of the two clerks, one for the Division and the other for the Bellary Sub Division as already applied for. In the absence of specific sanction, or at least an authorisation from you, I could not appoint the Clerks. No clerks could be spared from the existing establishment of the Circle for Famine duty as had been done in the case of Supervisors and Overseers. As the necessity for the immediate employment of the Clerks is alsokeenly felt, early orders are requested in the matter.

H.G. Jackson, 19/1/1942,
Superintending Engineer,
Bezwada Circle.
